DRINKS LIST

TEQUILARIA

Legend tells us that Tequila arrived in a flash of divine inspiration. A group of tribesmen from the Tequila tribe in Amatitlan Jalisco witnessed a lone bolt of lightening strike an agave plant. The heat boiled the liquid inside and when the plant cooled down they tasted the nectar from the heart of the agave 'The Pina'. They deemed it to be a "miraculous gift from the gods".

◆◆◆◆◆ **TEQUILA 101** ◆◆◆◆◆

BLANCO

This is the closest you get to the taste of an Agave plant.
The purest Tequila... not aged.

REPOSADO

Slightly aged in oak barrels for no longer than a year.
Softer, sweeter and more complex.

ANEJO

Aged for longer than a year and up to ten. A tequila you sip so the aromas of wood and spice fill you with the taste of the gods!
